General Requirements

20.09.010 Purpose

This chapter identifies the types of permits, approvals, and processes which are required as part of this Unified Development Ordinance.

20.09.020 Enforcement

Failure to comply with any provision of *Chapter 20.09: Processes, Permits and Fees*, including but not limited to failure to comply with the terms and conditions of any permit or other approval obtained hereunder, shall be a violation of the Unified Development Ordinance and shall be subject to the penalties and remedies in *Chapter 20.10: Enforcement and Penalties*.

20.09.030 Applications; General

(a) Application Requirements:

- (1) Applications for any petition, permit, or process under this Unified Development Ordinance may be made by the owner or lessee of property within the City or its zoning jurisdiction. In addition, the owner of at least fifty percent (50%) of the land involved may initiate a zoning map amendment for that land. The Plan Commission and/or Common Council may also initiate action as prescribed by Indiana Code and other applicable laws.
- (2) Applications for any petition, permit, or process under this Unified Development Ordinance shall include the information listed below. Submittals may be composed of one or more sheets and drawings and shall include:
 - (A) A completed Application Form. Forms are available in the Planning Department;
 - (B) Name and address of the applicant;
 - (C) Name and address of the property owner;
 - (D) Signed, written consent of owner if other than applicant;
 - (E) Required application fee;
 - (F) Accurate street address of the subject property. If property does not have a street address, a request must be made by the petitioner to the City Engineering Department for an address prior to application;
 - (G) Accurately scaled map showing location of property and the existing uses of land within two hundred (200) feet of the subject property. This map may be provided by the planning staff as a geographic information system (GIS) map showing the required information without additional charge over the application fee;
 - (H) Narrative description of the proposal;
 - (I) Specific material required under the applicable permit or process in *Chapter 20.09: Processes, Permits and Fees*;
 - (J) Specific material to address the requirements of *Chapter 20.05: Development Standards* and *Chapter 20.07: Design Standards*; and
 - (K) Such other additional information as may be required by the planning staff or approval body to evaluate the application.

- (b) Completeness of Application: The planning staff shall determine whether an application is complete prior to accepting the application. If the application is incomplete, the planning staff shall inform the applicant as to what additional information must be supplied. No application shall be considered complete until all pre-application requirements of *Section 20.09.070: Pre-application Requirements* have been satisfied and all required fees have been paid.
- (c) Joint Submission of Applications: Whenever an application requires review under the provisions of more than one permit, approval, or process, the planning staff may schedule the review procedures and hearings so that review for each different permit, approval, or process can be scheduled on the same agenda, to the extent possible.
- (d) Planning Department Application Review: All applications for permits, approvals, or processes required by this chapter shall be reviewed by the planning staff, which shall either be charged with the issuance or denial of a Certificate of Zoning Compliance or other staff-level approval, or to prepare a report for the applicable public hearing body.
- (e) Authorization of Site Inspection: By submitting an application, the applicant is authorizing the City Engineering Department and/or planning staff to inspect the site being considered for development at any reasonable time to obtain the information required for review of compliance with this Unified Development Ordinance.

General Requirements

- (f) Filing Deadline: The petitioner shall refer to the schedule of meeting dates attached to the application form to determine any applicable filing deadlines for approvals or processes by the Plan Commission, Board of Zoning Appeals, Plat Committee, or Hearing Officer.
- (g) Complete Submittal: For petitions and subdivision requests, once the planning staff has determined that the petitioner has made a complete submittal, the planning staff shall:
 - (1) Assign the item a case number;
 - (2) Place the item on an agenda of the appropriate body;
 - (3) Inform the petitioner of the time, date, and place of the review body meeting.

20.09.040 Effect of Permit or Approval; Applicant to be Bound by Submissions

- (a) Recipient to be Bound: A recipient of any permit or other approval under *Chapter 20.09: Processes, Permits and Fees* or under any other provision of this Unified Development Ordinance shall be bound by the representations and information submitted in the original application and in any revision, amendment, or supplement to the original application that is provided to the reviewing authority prior to issuance of the permit or other approval (hereinafter “submission”) except with respect to any detail that is clearly neither regulated by a provision of this Unified Development Ordinance or other applicable law or regulation, nor expressly required as a commitment or condition of approval by the reviewing authority. A permit or approval shall be deemed to incorporate and be conditioned upon such submission, and a new or modified permit or other approval shall be required for any significant deviation from any detail contained in such submission that is made a part of the permit or other approval by operation of *Section 20.09.040 Effect of Permit or Approval; Applicant to be Bound by Submissions* or otherwise.
- (b) Special Rule in Demolition Delay Situations: In the case of a permit or other approval authorizing any work that includes partial demolition governed by the demolition delay waiting period of *Section 20.09.230: Demolition Delay*, the submission to which the recipient shall be bound shall include all information required by *Division 20.09.120(d)(6)* of this Unified Development Ordinance, and shall be as defined in *Subsection 20.09.040(a): Recipient to be Bound* above, except as it may be modified as follows: where the application for such permit or approval has been placed on the agenda for and discussed at one or more public meetings of the HPC, then for purposes of this provision the information and representations placed before the HPC at the last of those meetings prior to permit issuance, together with any modifications recommended by the HPC and agreed to by the applicant, shall become a part of the submission upon the basis of which a permit or other approval may be issued, and to which the recipient of the permit or approval shall be bound, unless the permit or approval is thereafter properly modified or a new permit or approval issued. Notwithstanding any other provision of this Unified Development Ordinance, issuance of a permit or other approval that is subject to this provision shall not authorize any work that significantly deviates in any detail from the elevations and the design, type and location of materials depicted in such submission.

- (a) **Pre-application Meeting:** Prior to submitting a petition application, the petitioner shall meet with the planning staff to review the zoning classification of the site, review the regulatory ordinances and materials, review the procedures and examine the proposed use and development of the property. The planning staff shall aid and advise the petitioner in preparing the application and supporting documents as necessary. This meeting must take place prior to the deadline as listed on the Schedule of Meeting Dates.
- (b) **Development Review Committee (DRC):**
 - (1) **Determination:** All development petitions requiring Plan Commission action shall be forwarded to the Development Review Committee (DRC) for consideration. In addition, the planning staff may forward certain petitions requiring Board of Zoning Appeals or Plat Committee review to the DRC. The planning staff shall inform the petitioner of the time, date, and place of the Development Review Committee meeting.
 - (2) **Meeting Date:** The petitioner shall refer to the Schedule of Meeting Dates to determine the filing deadline for any given meeting of the Development Review Committee. Incomplete submittal information may result in the application being postponed from the Development Review Committee agenda to allow the petitioner time to complete the submittal.
 - (3) **Revisions:** Following Development Review Committee review, the petitioner shall submit revised copies of the plans that address the comments and concerns of the Development Review Committee.
- (c) **Neighborhood Meeting:** The petitioner shall conduct a neighborhood meeting prior to filing a petition to rezone a site to a Planned Unit Development, subject to the Neighborhood Meeting requirements specified in *Division 20.04.080(b)(3): Neighborhood Meeting*. Other types of petitions requiring a public hearing may also be required by the planning staff to conduct a neighborhood meeting. Notice of the neighborhood meeting shall be made to any neighborhood association on record with the City within a five hundred (500) foot radius of the boundaries of the proposed Planned Unit Development. Such notice shall be made to the neighborhood associations and the Planning Department at least seven (7) days in advance of the meeting. - (a) The planning staff shall maintain an official fee schedule for petitions, subdivisions, and permits outlined in this Unified Development Ordinance. Such fees shall be approved by the Plan Commission and, where applicable, the Common Council. The official fee schedule shall be available to the public in the Planning Department.
- (b) Fees shall be paid at the Planning Department at the time of application. When the Planning Department has received a complete submittal, the planning staff shall calculate the total of the application fee and any other applicable fees. All payments shall be made to the City of Bloomington.
- (c) Until all applicable fees, charges, and expenses have been paid in full, no action shall be taken on any petition, subdivision request, or permit.

General Requirements

20.09.090 Commitments; Zoning Map Amendments and PUD District Ordinances

- (a) **Authority:** The Plan Commission may allow or require the owner of a parcel of real property to make a written commitment concerning use and/or development of that parcel where the making of such commitment will further the goals of the Unified Development Ordinance or the Growth Policies Plan. In the case of a PUD district ordinance, the Common Council may allow or require the owner of a parcel of real property to make a written commitment concerning use and/or development of that parcel pursuant to IC 36-7-4-1512. In the case of PUD Final Plan approval delegated to the planning staff by this Unified Development Ordinance, the planning staff may also allow or require the owner to make a written commitment under this section, and shall have all powers and duties of the Plan Commission under this section except the power to approve modification or termination of a Commitment. Commitments may be allowed or required as part of a proposal to amend the zoning map under IC 36-7-4-608 and *Chapter 20.09: Processes, Permits and Fees*; and, in connection with a proposal to adopt a PUD District Ordinance, or in connection with Final Plan approval, under the IC 36-7-4-1500 Series and *Chapter 20.04: Planned Unit Development Districts*.
- (b) **Approval Procedure:** The procedure by which the Plan Commission or planning staff allows or requires a written commitment shall be the same as the procedure set forth in the Plan Commission Rules of Procedure and this Unified Development Ordinance for the underlying development proposal. The procedure by which the Common Council allows or requires a written commitment shall be the same as the procedure set forth in this code for consideration of the underlying ordinance. No additional notice or hearing shall be required.
- (c) **Form of Commitments:** When allowed or required by an action of the Plan Commission or planning staff, a written commitment shall be recorded by the Petitioner, in a form approved by the Legal Department, which contains the following information:
 - (1) The address and legal description of the parcel of real property to which the commitment is attached;
 - (2) The name and address of the property owner executing the commitment;
 - (3) The case number and a brief description of the proposal in connection with which the commitment is being made;
 - (4) A detailed statement of the owner's commitment regarding use and/or development of the property. The commitment may include the obligation to perform or refrain from performing any action, and the obligation may be of a continuing nature;
 - (5) A cross reference to the deed for the parcel of real property to which the commitment is attached;
 - (6) A statement that the commitment shall be recorded in the County Recorder's office and shall run with the land and be binding on the signatories and upon any subsequent owner or other person acquiring an interest in the real estate;
 - (7) A statement that the commitment shall be enforceable by the City, or by any adjacent property owner or other interested party as defined by the Plan Commission Rules of Procedure;
 - (8) A statement that failure to honor the commitment shall constitute a violation of the Unified Development Ordinance and shall be subject to the penalties for the same in addition to any other enforcement remedies;
 - (9) A statement that the commitment may be modified or terminated only by action of the Plan Commission;
 - (10) A statement about how the recording of the commitment shall be verified by the planning staff.
- (d) **Recording:** A commitment instrument made hereunder shall be recorded in the County Recorder's office upon approval of the proposal and prior to issuance of any Certificates of Zoning Compliance for the area involved in the proposal. The petitioner shall deliver one (1) copy of the recorded commitment instrument to the Planning Department within ten (10) business days of recording.
- (e) **Effect of Commitments:** A commitment made under this Unified Development Ordinance takes effect upon approval of the proposal (*i.e.* adoption of an ordinance changing the zoning map or designating a Planned Unit Development zoning district, or approval of a Final Plan) in connection with which the commitment is made. An unrecorded commitment is binding upon the owner of the parcel, but is only binding upon a subsequent owner or other person acquiring an interest in the parcel if that person has actual notice of the commitment. A recorded commitment is binding upon any subsequent owner and any person acquiring an interest in the parcel.

- (g) Modification or Termination:
 - (1) *Procedure:* When a commitment has been allowed or required by the Common Council, Plan Commission or planning staff in conjunction with a petition under the Unified Development Ordinance, either the petitioner, a subsequent owner of the parcel, or a person who acquires an interest in the parcel may apply to the Plan Commission for modification or termination of the commitment. The Plan Commission may approve modification or termination after notice and public hearing pursuant to the Plan Commission Rules of Procedure in any case where the modification or termination will further the goals of the Unified Development Ordinance or the Growth Policies Plan.
 - (2) *Recording:* The petitioner shall record the modification or termination instrument in the County Recorder's office. The petitioner shall deliver one (1) copy of the recorded modification or termination instrument to the Planning Department within ten (10) business days of recording. A modification or termination instrument made hereunder shall be recorded in the County Recorder's office upon approval of the proposal and prior to issuance of a Certificate of Zoning Compliance for the area involved in the proposal.
- (h) Automatic Termination of Commitments: A commitment made in connection with a zoning map amendment, adoption of a PUD District Ordinance, or PUD Final Plan approval terminates automatically if after adoption of the petition the zoning district applicable to the area involved in the proposal is changed (which shall include designation as a Planned Unit Development).

- (a) Authority: The Plan Commission or planning staff, whichever is the approving authority, may allow or require the owner of a parcel of real property to make a written commitment concerning use and/or development of that parcel in connection with approval of a Site Plan pursuant to *Section 20.09.120: Site Plan Review*.

20.09.110 Commitments; Variance and Conditional Use

- (a) Authority: The Board of Zoning Appeals, in connection with any variance or Conditional Use proposal, may allow or require the owner of a parcel of real property to make a written commitment concerning use and/or development of that parcel where the making of such commitment will further the goals of the Unified Development Ordinance or the Growth Policies Plan. In any case where the Hearing Officer is authorized by the Plan Commission Rules of Procedure to hear and approve a variance or Conditional Use proposal, the Hearing Officer may also allow or require the owner to make a written commitment under this section, and shall have all powers and duties of the Board of Zoning Appeals under *Section 20.09.110: Commitments; Variance and Conditional Use* except the power to approve modification or termination of a Commitment.
- (b) Governing Provisions: The procedure, form, recording, effect, enforcement, and modification or termination of commitments under this Section shall be the same as set forth in *Section 20.09.090: Commitments; Zoning Map Amendments and PUD District Ordinances*, and the Board of Zoning Appeals and Hearing Officer shall have all the powers given to the Plan Commission under *Section 20.09.090: Commitments; Zoning Map Amendments and PUD District Ordinances*, provided that:
 - (1) The Board of Zoning Appeals may by rule provide for different procedures, but may not delegate the authority to modify or terminate a commitment to another entity; and
 - (2) *Subsection 20.09.090(h): Automatic Termination of Commitments* concerning automatic termination shall not apply to Commitments governed by *Section 20.09.110: Commitments; Variance and Conditional Use*.
- (c) Special Rule for Hearing Officer: If the owner of a parcel of real estate fails to accept a condition imposed, or to make a commitment allowed or required, by the Hearing Officer, then the owner's petition shall be considered withdrawn or, if requested by the owner, shall be transferred to the Board of Zoning Appeals.

 - (8) Any applicable subdivision standards in *Chapter 20.06: Subdivision Regulations*;
 - (9) Any applicable design standards in *Chapter 20.07: Design Standards*;
 - (10) Any other applicable provisions of the Unified Development Ordinance;
 - (11) Any requirements of the members of the Development Review Committee;
 - (12) The Planning Department report; and
 - (13) Such other additional information as may be required by the Plan Commission to evaluate the petition.
- (h) Duration: If the Final Plat has not been recorded within a maximum period of six (6) months, the Final Plat shall be null and void and the Final Plat must again be submitted for approval, to the extent permitted by *Section 20.01.210: Effect of Change in the Law after Filing of Complete Application*.

Subdivision Control

20.09.200 Subdivision Control; Plat Vacation

- (a) Intent: The purpose of the Plat Vacation section is to outline the procedure employed by the City when considering a petition for the vacation of a subdivision. Further, the intent of the Plat Vacation section is to ensure that the statutory requirements established in the Indiana Code for the vacation of a subdivision are met.
- (b) Prerequisites:
 - (1) *Time Limitation*: After the termination of a Plat Vacation proceeding under *Chapter 20.09; Processes, Permits and Fees*, a subsequent vacation proceeding affecting the same property and asking for the same relief may not be initiated for two (2) years.
- (c) Applicability:
 - (1) *Final Plat*: The owner of land in a Final Plat may file with the Plan Commission a petition to vacate all or part of the Final Plat pertaining to the land owned by the petitioner.
 - (2) *Rights-of-way*: This Plat Vacation procedure shall not be used to vacate rights-of-way, regardless of whether they are platted. Rights-of-way shall be vacated pursuant to IC 36-7-3-12.
 - (3) *Covenants or Commitments*: The Plat Vacation petition may include a request to vacate any recorded covenants or commitments filed as part of the Final Plat. The covenants or commitments are then also subject to vacation.
 - (4) *Easements*: This Plat Vacation procedure shall not be used to vacate platted easements. Platted easements shall be vacated pursuant to *Section 20.09.310: Easements; Vacation*.
- (d) Exceptions:
 - (1) *Public Utilities*: *Chapter 20.09; Processes, Permits and Fees* notwithstanding, Plat Vacation proceedings do not deprive a public utility of the use of all or part of a public way or public place to be vacated, if, at the time the proceedings are instituted, the utility is occupying and using all or part of that public way or public place for the location and operation of its facilities. However, the utility may waive its rights under this subsection by filing its written consent in the Plat Vacation proceedings.
 - (2) *Easement Vacation*: Per IC 36-7-3-16, platted easements are vacated by the Common Council (see *Section 20.09.310: Easements; Vacation*).
- (e) Application:
 - (1) *Supportive Information*: The application shall include, but not be limited to, the following documents:
 - (A) *Pre-submittal Meeting Documentation*: The application shall include all documentation specified by the planning staff during the pre-submittal meeting.
 - (B) *Application Form*: The application shall include all documentation specified on the application form unless certain documentation is deemed superfluous by the planning staff due to the specific circumstances of the particular project.
 - (C) *Additional Information*: Such other additional information as may be required by the planning staff or other members of the Development Review Committee to evaluate the application.
- (f) Plan Commission:
 - (1) *Grounds for Remonstrances and Objections*: All persons may comment at the public hearing in accordance with the procedural rules of the Commission. A remonstrance or objection may be filed or raised by any person aggrieved by the proposed Plat Vacation, but only on one (1) or more of the following grounds:
 - (A) The Plat Vacation would hinder the growth or orderly development of the unit or neighborhood in which it is located or to which it is contiguous;
 - (B) The Plat Vacation would make access to the lands of the aggrieved person by means of a public way difficult or inconvenient;
 - (C) The Plat Vacation would hinder the public's access to a church, school, or other public building or place; and/or
 - (D) The Plat Vacation would hinder the use of a public way by the neighborhood in which it is located or to which it is contiguous.

Subdivision Control

- (2) *Decision:* The Plan Commission shall:
 - (A) Approve the petition;
 - (B) Approve the petition with conditions and/or commitments;
 - (C) Disapprove the petition; or
 - (D) Continue the petition to a definite future meeting date.
- (3) *Findings of Fact:* The Plan Commission shall approve the petition for Plat Vacation of all or part of a Final Plat only upon making written findings that:
 - (A) Conditions in the platted area have changed so as to defeat the original purpose of the Final Plat;
 - (B) It is in the public interest to vacate all or part of the Final Plat; and
 - (C) The value of that part of the land in the Final Plat not owned by the petitioner will not be diminished by vacation.
- (4) *Approval:*
 - (A) Signed: The findings of fact shall be signed by the President of the Plan Commission.
 - (B) Recording: The Plan Commission shall furnish a copy of its decision to the County Recorder's office for recording.

- (7) *Surety Requirement:* In conjunction with the approval of a Plat Vacation, and unless determined to be unnecessary by the Plan Commission, the petitioner shall provide financial surety for all public improvements pursuant to *Chapter 20.09; §Surety Standards*.

Subdivision Control

20.09.210 Subdivision Control; Waivers and Modifications

- (a) Intent: When the Plan Commission finds that extraordinary hardships or practical difficulties may result from strict compliance with the subdivision regulations and/or that the purposes of the subdivision regulations may be served to a greater extent by an alternative proposal, the Plan Commission may approve Subdivision Waivers to the subdivision regulations of *Chapter 20.06: Subdivision Regulations* and *Chapter 20.07: Design Standards* so that substantial justice may be done and the public interest secured, provided that such Subdivision Waivers shall not have the effect of nullifying the intent and purpose of the subdivision regulations.
- (b) Applicability:
 - (1) *Preliminary Plat*: The petitioner may only file a Subdivision Waiver petition in conjunction with a Preliminary Plat petition or with a Preliminary Plat Amendment petition.
 - (2) *Public Facilities*: Where the Subdivision Waiver has an impact on design and construction of public facilities, all appropriate public agencies will be given ample time to comment in writing to the Plan Commission.
 - (3) *Exclusive Control*: It is not within the jurisdiction of the Board of Zoning Appeals to grant Development Standards Variances of *Chapter 20.06: Subdivision Regulations* and *Chapter 20.07: Design Standards*.
- (c) Exceptions:
 - (1) *Development Standards*: It is not within the jurisdiction of the Plan Commission to grant Subdivision Waivers to the provisions of *Chapter 20.05: Development Standards*.
- (d) Plan Commission:
 - (1) *Review of Petition*: At their regularly scheduled meeting, the Plan Commission shall review:
 - (A) The written statement and supportive material submitted by the petitioner;
 - (B) The Preliminary Plat;
 - (C) The Subdivision Waiver;
 - (D) The testimony of the petitioner;
 - (E) The written and oral testimony of the public;
 - (F) The Growth Policies Plan;
 - (G) Any applicable subdivision standards in *Chapter 20.06: Subdivision Regulations*;
 - (H) Any applicable design standards in *Chapter 20.07: Design Standards*;
 - (I) Any other applicable provisions of the Unified Development Ordinance;
 - (J) Any requirements of the members of the Development Review Committee;
 - (K) The Planning Department report; and
 - (L) Such other additional information as may be required by the Plan Commission to evaluate the petition.
 - (2) *Findings of Fact*:
 - (A) The Plan Commission may grant a Subdivision Waiver if, after a public hearing, it makes written findings of fact based upon the evidence presented to it in each specific case, that:
 - (i) The granting of the Subdivision Waiver shall not be detrimental to the public safety, health, or general welfare, or injurious to other property; and
 - (ii) The conditions upon which the request for a Subdivision Waiver is based are unique to the property for which the Subdivision Waiver is sought and are not applicable generally to other property; and
 - (iii) Because of the particular physical surroundings, shape, or topographical conditions of the specific property involved, a particular hardship to the owner would result, as distinguished from a mere inconvenience, if the strict letter of the subdivision regulations is carried out (Financial hardship shall not constitute grounds for a waiver); and
 - (iv) The Subdivision Waiver shall not in any manner vary the provisions of the development standards, Growth Policies Plan, or Thoroughfare Plan.

Subdivision Control

- (B) Exception: Due to the specialized nature of the following, the Plan Commission may permit modifications to the standards and procedures of this title as may be warranted; and such modifications need not comply with *Clause 20.09.210(d)(2)(A)(ii)* and *Clause 20.09.210(d)(2)(A)(iii)*.
 - (i) Subdivisions not involving any new streets;
 - (ii) Commercial or industrial subdivisions;
 - (iii) Cemetery plats; and
 - (iv) Condominium plats.
- (C) Approval: The findings of fact shall be signed by the President of the Plan Commission.
- (D) Disapproval:
 - (i) Signed: The findings of fact shall be signed by the President of the Plan Commission.
 - (ii) Notification: The planning staff shall furnish the petitioner with a copy of the Plan Commission's decision.
- (3) *Decision*: The Plan Commission shall:
 - (A) Approve the petition;
 - (B) Approve the petition with conditions and/or commitments;
 - (C) Deny the petition; or
 - (D) Continue the petition to a definite future meeting date.
- (b) Duration:
 - (1) A Final Plat application shall be filed not later than twelve (12) months after the date of approval of the Preliminary Plat, otherwise the Subdivision Waiver approval shall be considered void.
 - (2) One (1) extension of up to six (6) months may be authorized by the Planning Director for reason/cause. The petitioner shall submit the request for extension in writing to the Planning Director, and the Planning Director shall make a written determination regarding his decision to extend or deny extension. Both the request and the determination shall be made part of the Subdivision Waiver record.

20.09.220 Certificate of Zoning Compliance

- (a) **Intent:** The intent of the Certificate of Zoning Compliance section is to outline the procedure by which proposed establishment of and alterations to uses, sites and structures are reviewed by the planning staff. This procedure is set forth in order to ensure that all such actions conform to the standards established by the Unified Development Ordinance.
- (b) **Certificate of Zoning Compliance Required:** The City requires that a Certificate of Zoning Compliance (herein after “CZC”) shall be obtained for any of the following actions. A single CZC may be issued for a combination of such actions, if they occur together. Any application for a CZC, permit or other approval for an action described in Division (5) of this Subsection shall be subject to the procedures outlined in *Section 20.09.230: Demolition Delay*:
 - (1) Alteration, erection, construction, reconstruction, division, enlargement, demolition, partial demolition or moving of any building, structure, or mobile home;
 - (2) Establishment of a use or change in use to another use (see *Chapter 20.11: Definitions*; “*Change in Use*”);
 - (3) Enlargement in the area used for any use or relocation of a use to another portion of a lot, site, or building;
 - (4) Grading, improvement, or other alteration of land, including paving or the establishment of drives or parking areas, or any other land distributing activity.
 - (5) Any action, whether or not listed in Divisions (1) through (4) of this Subsection, that would result in partial or complete demolition of any exterior portion of a building or structure that is listed as ‘Outstanding’, ‘Notable’, or ‘Contributing’ on the Indiana Historic Sites and Structures Inventory: 2001 City of Bloomington Interim Report adopted on October 17, 2002, by the Bloomington Historic Preservation Commission (hereinafter “HPC”) as the same may be hereafter amended or replaced (hereinafter “Historic Survey”). Such action shall be subject to the procedures outlined in *Section 20.09.230: Demolition Delay*. An accessory building or structure not attached to the principal building or structure upon the listed parcel shall not be considered “listed” within the meaning of this ordinance unless the accessory building or structure is of the same era of construction as the principal building or structure, as determined by the planning staff. Such determination shall be based upon resources that may include but shall not be limited to Sanborn Company Fire Insurance maps, visual inspection of the accessory building or structure, and records and expertise of HPC or its staff.

Permits

20.09.230 Demolition Delay

- (a) Demolition Delay Required: No Certificate of Zoning Compliance (hereinafter “CZC”) authorizing release of a permit allowing the demolition or partial demolition of a building or structure that is listed as Outstanding, Notable or Contributing on the Historic Survey, or any accessory building or structure of the same era of construction as the principal building or structure that is so listed, shall be issued earlier than ninety (90) or one hundred twenty (120) calendar days after notice has been given as provided in *Division 20.09.230(a)(1)* below. The ninety-day period shall apply in all cases unless the Director of HAND or his/her designee finds that an additional thirty (30) day delay period is needed in order for the HPC to responsibly consider and determine whether to recommend designation of the property. The HAND Director shall make such finding only where there are multiple Demolition Permits and/or historic designation proposals pending or expected to come before the HPC during the ninety (90) day period; or, where the demolition request presents unusually complex public policy issues due to the location or survey classification of the structure. Location within an area that contains multiple surveyed properties and/or location within an area designated on the National Register of Historic Places and/or survey classification of the structure or building proposed for demolition as notable or outstanding shall be sufficient, but not necessary, to justify a determination that the one hundred twenty-day period will apply. The HAND Director will give notice of his determination to apply the one hundred twenty (120) day period to a demolition request in accordance with *Division 20.09.230(a)(1)* below.
- (1) Planning staff shall give notice, by hand delivery, interdepartmental mail, electronic mail, or U.S. Mail, to the HAND Director, or his designee, and to the Chairman of the HPC, or his designee, within three (3) business days after receipt of a complete application for a Demolition Permit, or within three (3) business days after a pre-application conference for any petition involving a demolition covered by this Section, whichever occurs first. Such notice shall include the name, address and telephone number of the owner of the structure. Not later than thirty (30) days after such notice is given by planning staff, the HAND Director shall give notice by hand delivery, interdepartmental mail, or U.S. Mail, to the planning staff, the Chairman of the HPC or his designee, and to the owner, if the one hundred twenty (120) day waiting period is to be imposed; provided further, notice to planning staff and HPC Chairman or designee, but not notice to owner, may be given by electronic mail. All such notices shall be deemed effective on the date of mailing, deposit in interdepartmental mail, sending, in the case of electronic mail, or hand-delivery, of the notice; and
 - (2) The owner, within three (3) business days after the pre-application conference or the application for Demolition Permit, whichever occurs first, shall place upon the property where the building or structure is located, in plain public view, a notice to the public of the proposed demolition of the building or structure. Such notice shall be in such form as approved by the planning staff and shall include the titles and telephone numbers of the persons to whom notice was given under *Division 20.09.230(a)(1)* above. Such notice shall remain in place until termination of the waiting period and the owner shall have the affirmative duty to replace such notice as needed in order to comply with this requirement. Noncompliance with this provision shall result in the delay period being extended by an amount of time equal to the amount of time, as reasonably determined or estimated by the planning staff, during which the notice was not properly in place.

(b) Exceptions: Exceptions to this section shall be as follows:

- (1) *Early Termination of Waiting Period*: If within the ninety- or one hundred twenty-day period the HPC votes affirmatively not to recommend local historic designation to the Common Council, or votes on a motion to recommend local designation and the motion fails, and in either case, the vote is not reversed by proper action taken at the same meeting on the same calendar day; or if within such ninety- or one hundred twenty-day period the Common Council disapproves a recommended local historic designation of the subject property; then the remainder of the waiting period shall be considered waived and the Certificate of Zoning Compliance shall be issued forthwith if all other requirements are met.
- (2) *Locally Designated Buildings or Structures are Subject to Title 8 Provisions Regarding Demolition*: This section shall not apply to any building or structure that is within a property or group of properties locally designated as a historic district or a conservation district pursuant to *Title 8: Historic Preservation and Protection* of the BMC. Such buildings and structures shall be governed by the provisions of *Title 8*.
- (3) *Emergency Waiver of Waiting Period*: The waiting period may be waived upon a written determination by the City Engineering Department that there is an emergency condition dangerous to life, health or property that requires demolition prior to the expiration of the waiting period.
- (4) *Building or Structure Not Subject to Demolition Waiting Period More than Once in any One-year Period*: No building or structure that has been subjected to the waiting period under this section shall be subject to a second waiting period until the passage of one (1) year from the date of expiration of the first waiting period or, where interim protection is placed upon the property pursuant to *Section 8.08.015: Interim Protection* of the BMC during the demolition waiting period but Common Council final action to reject local designation occurs after the waiting period, for a one-year period after such final Common Council action. During this one-year period, no action of the HPC or the Common Council may prevent issuance or effect revocation of a Certificate of Zoning Compliance or Demolition Permit that is otherwise properly issued or application for which meets all requirements of the Bloomington Municipal Code. Provided, however, where the first waiting period was occasioned by application for partial rather than complete demolition, this provision shall not apply except to the extent that the work covered by the CZC or Demolition Permit, or application therefore, is substantially identical to the work shown in the submission that occasioned the first waiting period. For purposes of *Section 20.09.230*, “work” includes the proposed partial demolition and any proposed construction, reconstruction, or alteration associated therewith; “substantially identical” means without significant deviation in any detail of any elevation or in the type, design, or location of materials that will be subject to public view; and, “submission” shall mean the submission that is authorized to receive approval pursuant to *Section 20.09.030: Applications; General* of this Unified Development Ordinance.

(c) Issuance of Certificate of Zoning Compliance authorizing Demolition:

- (1) If within the ninety- or one hundred twenty-day waiting period the property is placed under interim protection or is locally designated as a Historic or Conservation District pursuant to *Chapter 8.08: Historic Districts and Standards* of the BMC, then no Certificate of Zoning Compliance authorizing demolition may be issued except: upon termination of interim protection without Historic or Conservation District designation being placed upon the property; or, where Historic or Conservation District designation is placed upon the property, in accordance with and after all approvals required by *Chapter 8.08*.
- (2) *Division 20.09.230(c)(2)* shall apply where neither interim protection nor Historic or Conservation District designation is placed upon the property within the waiting period, or where interim protection expires prior to the end of the waiting period without Historic or Conservation District designation being placed upon the property. After expiration of the waiting period provided for herein, which shall include early termination of the waiting period pursuant to *Division 20.09.230(b)(1): Early Termination of Waiting Period*, a Certificate of Zoning Compliance authorizing demolition shall be issued if owner has submitted a complete application and all other requirements of the Bloomington Municipal Code are met. Provided, however, in any case involving partial demolition, no Certificate of Zoning Compliance shall be issued for any partial demolition or any construction, reconstruction, or alteration associated therewith, except in compliance with the provisions of *Subsection 20.09.030(b): Completeness of Application* of this Unified Zoning Ordinance (governing the submission that may be authorized by a Certificate of Zoning Compliance in such cases.) Moreover, the recipient of a permit or other approval subject to this paragraph shall be bound to the details of the elevations, and the design, type, and location of materials depicted in the submission, as provided for and defined in *Section 20.09.030: Applications; General*, and may not deviate significantly from such depiction without applying for a new Certificate of Zoning Compliance, application for which shall commence a new waiting period.
- (3) No action of the HPC may prevent issuance or effect revocation of such Certificate of Zoning Compliance, or a Demolition Permit issued in reliance upon such Certificate of Zoning Compliance, for a period of one (1) year from the end of the waiting period, except in partial demolition situations described herein and in *Division 20.09.230(b)(4): Building or Structure Not Subject to Demolition Waiting Period More than Once in any One-year Period*.
- (4) For any building or structure that is exempt from the waiting period of this Section pursuant to *Division 20.09.230(b)(1): Early Termination of Waiting Period*, *Division 20.09.230(b)(3): Emergency Waiver of Waiting Period*, or *Division 20.09.230(b)(4): Building or Structure Not Subject to Demolition Waiting Period More than Once in any One-year Period* a Certificate of Zoning Compliance authorizing release of a Demolition Permit shall be issued within a reasonable time following receipt by the Planning Department of a complete application, provided all other requirements of the BMC are met. For buildings or structures covered by *Division 20.09.230(b)(1): Early Termination of Waiting Period* or *Division 20.09.230(b)(4): Building or Structure Not Subject to Demolition Waiting Period More than Once in any One-year Period*, during the one-year period provided by those subsections, and subject to the limitations contained in such Clauses, a Certificate of Zoning Compliance shall be issued where all other requirements are met, and if properly issued may not be revoked by any action of the HPC or Common Council involving interim protection or local designation.

- (a) Intent: It is the intent of this section to mitigate the environmental impact of site development and to protect the quality of the waters of the City of Bloomington, Monroe County, and surrounding areas, and to provide a mechanism to insure compliance with *Chapter 20.05: Development Standards* of this UDO, and particularly the Environmental Standards of that Chapter, by providing a thorough permitting and inspection process for all grading activities.

Permits

- (4) *Correction of Deficiencies*: The City Engineering Department shall apprise the petitioner in writing of any deficiencies in the installation of the erosion and sedimentation control measures. The petitioner shall schedule a follow-up inspection once the deficiencies have been corrected.
- (5) *Commencement of Grading*: Grading shall not commence until the City Engineering Department has approved the installation of the erosion and sedimentation control measures for the site. Initiation of grading prior to receiving approval from the City Engineering Department shall constitute a violation of the Unified Development Ordinance, and shall be addressed as provided in *Chapter 20.10: Enforcement and Penalties*.
- (6) *Record*: The City Engineering Department shall maintain records of all applications, plans, and permits filed for a Grading Permit.
- (h) Additional Requirements: Compliance with the requirements set out in this provision shall not relieve any person of the independent obligation to comply with all applicable standards and practices set out in Indiana Administrative Code, 327 IAC 15-5 and 327 IAC 15-13, regarding storm water runoff associated with construction activity; the Indiana Stormwater Quality Manual developed by the Indiana Department of Environmental Management; all applicable provisions of *Title 10: Wastewater* of the Bloomington Municipal Code regarding storm water runoff; and all applicable rules, regulations, standards and specifications of the City Utilities Department regarding storm water management practices.

Miscellaneous Processes

20.09.340 Administrative Interpretations

- (a) **Intent:** The interpretation authority established by *Chapter 20.09: Processes, Permits and Fees* is intended to recognize that the provisions of this Unified Development Ordinance cannot, as a practical matter, address every specific situation to which they may have to be applied. In particular, certain categories of uses are listed as either conditional or permitted, but certain specific proposed uses may not clearly fall within the common ordinary meaning of any of the listed uses. Many such situations can be readily addressed by an interpretation of the specific provisions of this Unified Development Ordinance in light of the general and specific purposes for which those provisions have been enacted. Because the interpretation authority established is an administrative rather than a legislative authority, an interpretation shall not have the effect of adding to or changing the essential content of this Unified Development Ordinance but is intended only to allow authoritative application of that content to specific cases.
- (b) **Prerequisites:**
 - (1) *Parties Entitled to Seek Interpretations:* Applications for Administrative Interpretations may be filed by any person having a legal or equitable interest in property that gives rise to the need for an interpretation; provided that interpretations shall not be sought by any person based solely on hypothetical circumstances or where the interpretation would have no effect other than as an advisory opinion.
- (c) **Applicability:** The Planning Director, subject to the procedures, standards, and limitations of this Chapter, may render written interpretations of the provisions of this Unified Development Ordinance and of any rule or regulation issued pursuant to it.
- (d) **Applications:**
 - (1) Refer to application requirements found at *Section 20.09.030: Applications; General*.
- (e) **Planning Department:**
 - (1) *Action on Application:* The Planning Director shall inform the petitioner in writing of his or her interpretation, stating any specific precedent, the reasons, and the analysis upon which the determination is based.
 - (2) *Review Considerations:* The following standards shall govern the Planning Director, the Plan Commission, and the Board of Zoning Appeals on appeals from the Planning Director, in issuing a Land Use Determination:
 - (A) Any listed use defined in *Chapter 20.11: Definitions*, shall be interpreted as therein defined;
 - (B) No Land Use Determination shall authorize any use in any zoning district unless evidence is presented demonstrating that it will comply with the general zoning regulations established for that particular zoning district;
 - (C) No Land Use Determination shall authorize any use in a particular zoning district unless such use is substantially similar to other uses specifically listed as permitted or conditional in such zoning district and is more similar to such uses than to other uses listed as permitted or conditional in another zoning district;
 - (D) If the proposed use is most similar to a use allowed only as a Conditional Use in the zoning district, then any Land Use Determination authorizing such use shall be subject to Conditional Use approval pursuant to *Section 20.09.150: Conditional Use*; and
 - (E) No Land Use Determination shall allow the establishment of any use that would be inconsistent with the statement of purpose of the zoning district in question, unless such use meets the standard of either *Subdivision 20.09.340(e)(2)(C)* or *Subdivision 20.09.340(e)(2)(D)*.
- (f) **Decision:**
 - (1) *Approval:* If the Planning Director determines that the use is significantly like a permitted use in the subject zoning district, the Planning Director may approve the land use.
 - (A) *Written Notice to Petitioner:* The planning staff shall give the petitioner written notice of said approval.
 - (2) *Denial:* If the Planning Director determines that the use is not significantly like a permitted use in the subject zoning district, he shall deny the land use.
 - (A) *Written Notice to Petitioner:* If the Planning Director denies the land use, the planning staff shall give the petitioner written notice of said denial and apprise the petitioner of their right to an Administrative Appeal per *Division 20.09.340(i)(1): Appeals from Planning Director Interpretations*.

Miscellaneous Processes

- (g) Effect of Land Use Determination: No Land Use Determination authorizing a particular use in a particular zoning district shall authorize the establishment of such use nor the development, construction, reconstruction, alteration, or moving of any building or structure, but shall merely authorize the preparation, filing, and processing of applications for any permits and approvals that may be required by the ordinances of the City including, but not limited to, a Certificate of Zoning Compliance, a Building Permit, a Certificate of Occupancy, subdivision approval, and Site Plan approval.
- (h) Limitations on Land Use Determination: A Land Use Determination finding a particular use to be permitted, or allowed as a Conditional Use in a particular zoning district, shall be deemed to authorize only the particular use for which it was issued, and such interpretation shall not be deemed to authorize any allegedly similar use for which a separate Land Use Determination has not been issued.
- (i) Board of Zoning Appeals:
 - (1) *Appeals from Planning Director Interpretations*: The Board of Zoning Appeals shall, pursuant to *Section 20.09.350: Administrative Appeal* of this Unified Development Ordinance, hear and decide appeals from any Administrative Interpretation by the Planning Director acting pursuant to his authority and duties under *Section 20.09.340: Administrative Interpretation*.

 - (1) *Filing Deadline*: An Administrative Appeal must be filed with the Planning Department within fourteen (14) days of the order, requirement, decision, or determination that is being appealed.
- (d) Review: At their next regularly scheduled public meeting, the Board of Zoning Appeals shall review:
 - (1) The written statement and supportive material submitted by the appellant;
 - (2) The record of action supplied by the administrative official or body from which the appeal is taken;
 - (3) The written and oral testimony of the public;
 - (4) The testimony of the appellant; and
